**OF PATENT OFFICE MISTAKE UNDER RULE 322**

Commissioner For Patents  
Post Office Box 1450

Sir:

In connection with the identified patent, Patentee respectfully requests issuance of a new Certificate Of Correction, as enclosed herewith in duplicate, to supercede the previously issued Certificate Of Correction dated 07 November 2006, which itself superceded a still earlier issued Certificate Of Correction dated 21 February 2006.

Upon inspection, it was discovered that the identified patent was initially proofread using a preliminary version of the specification, and not the final, approved version that was filed as U.S. Patent Application 10/659,719. Nevertheless, even though nearly all of the corrections requested on the previous Certificates do not have any basis in the prosecution record, the Certificate Of Corrections Branch approved the Requests and issued the two Certificates Of Correction identified above.

Accordingly, to overcome this inaccuracy, the patent has been re-proofread.

In re-proofreading the patent, mistakes were found which were due to Patent Office

error. Accordingly, Patentee respectfully requests that the Certificate Of Correction should be entered without charge to Patentee.

Favorable consideration is respectfully requested.

Respectfully submitted,

William D. Blackman
